Contents of the box

Technical specifications

Video output : HDMI

Power source : 5VDC / 0.5A

Dimensions : 80 x 58 x 16 mm

Weight : 125g

1. Installation

Your Holithographe ideally is fixed behind your screen with the fastener supplied. Separate the two ends of velcro, paste one behind your screen and the other under the Holithographe. Attach the Holithographe to the back of your screen. The Holithographe can also arise on the furniture.

The Holithographe is fixed behind your screen with the fastening velcro supplied

2. Power source

The Holithographe is powered either with the USB power cable (option A) or with the power charger (option B).

Option A

Connect the USB power cable directly to one of the USB inputs on your display. The Holithographe turns on and off automatically with your display.

Power source :
The USB power cable connects to a USB input on the display and to the power input of the Holithographe

Option B

If you are using the power charger, plug it into a socket-outlet rack with a switch. When you are not using the Holithographe, turn it off with the switch.

3. Connection and start-up

Connect the Holithographe to your screen with the supplied HDMI cable. To view holokinetic paintings, select the desired HDMI input with the remote control of your screen.

HDMI cable:
It connects to the HDMI output of the Holithographe and to one of the HDMI inputs of your screen

Terms of use :

The Holithographe should not be

- Subject to extreme temperatures
- Exposed to moisture and water
- Exposed to dust, sand, salt or smoke
- Exposed to flammable products
- Subjected to strong vibrations or shock

Guarantee

The receipt issued by the Laboratoire Jardin Cosmique acts as a guarantee. The warranty period is 2 years from the date of purchase. The warranty does not cover normal wear and tear such as aging (rays), damage due to improper maintenance, indirect damage or negligence.

Help

In case of problems, contact the Laboratoire Jardin Cosmique or your dealer. Any technical intervention on the Holithographe by a company or a third person will end the warranty.

Upgrade your Holithographe

If you already have a Holithographe 1.0 or 2.0, you can acquire a superior model by returning your old Holithographe. Once received and payment of the difference in price between the two models, you will receive your new Holithographe.

Shipping & returns

The customer agrees to check the goods immediately once received. If any damage or irregularities are observed, or if any elements are missing, the customer must inform the Laboratoire Jardin Cosmique in writing within 15 days of receipt of the goods. The return costs are the responsibility of the customer and the shipment must be made in the original packaging with all the accessories.

Delivery to foreign countries

The import taxes are the responsibility of the customer.

Limitation of use

The Holokinetic paintings displayed by the Holithographe is allowed only in a private space. Any public release without prior authorization of the Laboratoire Jardin Cosmique is prohibited.

Copyright and Trademark
